## **OPERATING COMMITTEE**

### **Meeting Minutes June 18, 2020**

**Because of travel restrictions and social distancing due to the Corona Virus Pandemic the meeting was held Virtually via GoToMeetings.**

- A. Call to Order – The meeting was called to order at 9:30 am on June 18, 2020 by Chase Barnett, Co-Chair of the Operating Committee.
- B. Introductions were made with approximately 25 persons in attendance, noting there were several first time attendees.
- C. Safety Message
- D. OCC Report – Tyler Nesheim
- E. MOCS Staff Report
- F. Discussion and Recommendations
  - a. Josh Faatz and Ramona Schatzer Ameren with Ameren recommend upon placing an incorrect locate notification via web require the validation of on-site contact number and a required field for the description of locating issue. Ramona specifically recommended wiping the existing on-site contact info rather than adding a field.  
  
JOSE GONZALEZ retracted the recommendation on behalf of Ameren.
  - b. Mike Stivers with USIC on behalf of Liberty Utilities wants to see a share location for large projects on MOCS website.

c. Ramona Schatzer with Ameren would like to see a website training video be published on the new website.

d. Mike Stivers with USIC volunteered to deliver the Q3 safety message

G. Without any further discussion, the meeting was adjourned at approximately 10:30 am.
